

2009 PACIFIC CURLING CHAMPIONSHIPS

KARUIZAWA, JAPAN
12-19 NOVEMBER 2009

05 August 2009

1. World Curling Federation (WCF) rules apply, unless otherwise indicated below, or stated during the Official Team Meeting, which is scheduled between 11:40 – 12:10 at the Karuizawa Curling Club on Thursday, 12 November 2009.
2. The Women (5 teams) and Men (6 teams) will play a double round robin. At the end of the round robin series there must be a ranking from 1 to 4 for the playoffs, and the final rankings established for the 5th and 6th teams. This ranking will be done in accordance with the WCF Rules of Competition (C9 – Page 32). In the semifinal games the team ranked number 1 will play a “best-of-five” series of games against the team ranked number 4, and the team ranked number 2 will play a “best-of-five” series of games against the team ranked number 3. The results (W or L) of the two games in the double round robin will be considered as the first 2 games of these “best-of-five” series. The winners of the Women’s semi-final series will play in the Gold / Silver medal game, and both teams qualify their Associations for the 2010 Womens’ World Curling Championship (Swift Current, Canada). The winners of the Men’s semi-final series will play in the Gold / Silver medal game, and both teams qualify their Associations for the 2010 Mens’ World Curling Championship (Cortina, Italy). The losers of the semifinal series will play in the Bronze medal games.
3. All games will be ten (10) ends, with extra end(s) to break tied games.
4. There will be a ten minute practice for each team before every game. The practice starts 30 minutes before the scheduled game time that is shown on the schedule (i.e. – schedule shows 10:00, therefore 09:30 – 09:40 the team listed first in the schedule practices, 09:40 – 09:50 the other team practices, 09:50 – 10:00 ice cleaning, 10:00 the game starts).
5. First named team in each of the round-robin games plays the dark coloured stone handles and should wear dark coloured upper playing garments. That team also has the first pre-game practice and last stone in the first end. Since every team plays the other teams twice, one time they have dark coloured stone handles (last stone & first practice) and one time they have the light coloured stone handles.
6. In the best-of-five series:
Game Three – the teams that were ranked higher will have the choice of last stone in the first end, or choice of stone handle colour.
Game Four – the other team will have the choice of last stone in the first end, or choice of stone handle colour.
Game Five – the teams will toss, the winner of the toss will have the choice of first or second practice, and a Last Stone Draw (LSD) will be used to determine the last stone in the first end.
7. In any single post round robin game (i.e. - tie-breakers, gold and bronze medal games, etc.) the team with the higher ranking will have the choice of last stone in the first end, or choice of stone handle colour. When the ranking cannot be determined by the win / loss record (same number of wins and both teams won one game against each other in the double round robin) then the teams will toss, the winner of the toss will have the choice of first or second practice, and a Last Stone Draw (LSD) will be used to determine the last stone in the first end.
8. The Chief Umpire will determine the schedule and ice for any necessary tiebreaker games as soon as the number of games required and the opponents have been clearly determined. Additional training ice will also be decided by the Chief Umpire.

Teams - Women:

aus – australia
chn – china
jpn – japan
kor – korea
nzl – new zealand

Teams - MEN:

AUS – Australia
CHN – China
JPN – Japan
