- World Curling Federation (WCF) rules apply, unless otherwise indicated below or explained at the Team Meeting (Friday, 11 October, 11:30h at Curl Aberdeen).
- The 40 teams are in five (5) groups, based on a WCF ranking established over the last 3 years. Each group plays a round robin. At the end of the round robins there will be a ranking for 1st, 2nd, 3rd and 4th position in each group. The top three teams qualify directly for the 1/8 finals, as well as the 4th ranked team with the best DSC average (1 team). The match-ups for the play-offs are as per the attached play-off chart.
- All games will be eight (8) ends, with extra end(s) to break tied games.
- There will be a nine (9) minute practice for each team before each round-robin game. The practice starts 30 minutes before the scheduled game time. The team with the first practice during the round robin will be the team with dark stones, except for the games marked with an asterisk (*). For those games a coin toss will decide which team has first and second practice.
- At the conclusion of the team's pre-game practice, two players (one male and one female) each deliver a stone to the tee at the home end; the first stone with a clockwise rotation, and the second stone with a counter-clockwise rotation. The distances are combined to determine the Last Stone Draw (LSD) for that game. The team with the lesser LSD distance has the choice of delivering first or second stone in the first end. If the LSD totals for both teams are the same, the individual LSD stones are compared and the best non-equal LSD has the choice of delivering first or second stone in the first end. When both teams have the exact same individual LSD stone distances, a coin toss will be used to determine that choice.
- First named teams in each draw play the stones with the dark coloured handles, and wear dark-coloured upper playing garments. Second named teams in each draw play the stones with the light coloured handles, and wear light-coloured upper playing garments.
- Extra training for post round robin games will be decided by the Chief Umpire.
